

The best competition Muay Thai ring! Tradition, experience, strength, respect for opponents and the wai-kru. The Muay Thai competition boxing ring is designed for organizing local and international Muay Thai and K1 competitions. It meets all the regulations of the federations WMC and IFMA.

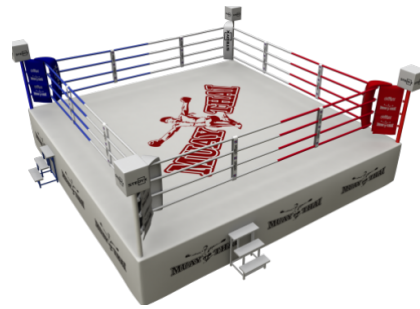

- ▶ Outer dimension 7 x 7m (22,9 x 22,9 ft.)
- ▶ The dimension between the ropes is 6.1 x 6.1 m (20.1 x 20.1 ft)
- ▶ The elevated padded floor is 1m (3.2 feet)

International parameters:

All parameters of the Muay Thai competition boxing rings are designed to meet the requirements for organizing international competitions. The floor of the ring is well cushioned and covered with a cotton canvas, and it meets the most stringent requirements of the federations WMC and IFMA. The surface of the frame is galvanically treated so as to provide exceptional durability and longevity.

Safety:

Thanks to its truss structure, the boxing ring is strong and stable. It meets the most demanding requirements. The OSB boards that form the floor of the ring are 2.5 cm (0.98 inches) thick. The elevated OSB floor has a padded layer of 2.5 cm (0.98 inches) and a cotton canvas. We normally supply this ring with 4 ropes. The safety of the athletes is
