

Make your own MMA wall! Single MMA panels with 2 side padding for use only with Stedyx corner cushions. For ideal combination we produce 5 different lengths.

- ▶ Quality steel construction
- ▶ Wire fence diameter 4mm
- ▶ Structure padding 2cm

Build your own MMA wall. MMA panels of different lengths can be combined with each other, so you **always reach the desired size**. See **"Features and sizes"** bookmark on left side. MMA panels with 4 side padding are designed for use without Stedyx MMA corners. Contact us for more information or click on **Sale Inquiry**.

MMA Panels are manufactured in **five basic sizes**. All lengths can be combined and **must be fixed** by the MMA panel connector. Contact us for special fixing requirements or special sizes of MMA panels.
