Stedyx always produces PVC canvas for MMA Octagons according to customer requirements. We use velcro and eyelets on the edges of the canvas as standard. Upper canvas is made from PVC / Vinyl material of **400 g/m² grammage**. Its designed for heavy duty use. Alongside of canvas is velcro and eyelets for attaching side canvas and fixation with any MMA octagon construction.

We produce boxing ring upper canvas in any colors.

Stedyx canvas can be produced in various color combinations and with printed logos. **Logo printing** is carried out by full color digital printing technology. If you want print logo on PVC canvas please contact us for free quote.

Note: PVC is digitaly printed with **UV protection**. Even if the quality printing at high loads may fade. Warranty **does not cover fading**.
