

Let it ride fullest. At all athletes involved. This console allows to train outside the ring to 4 other athletes. It has the ability to connect to all four corners of the ring.

- Firm and safe
- Zinc coated
- Adjustable height

Additional boxing bag bracket for the next 4 athletes. Simply **attach console** to the steel ring corner and you can **start training**. The height of the console is adjustable so **you can use any bag size**. The surface is galvanized and ensures long-term use. Stedyx will adjust horizontal length of the console according to your needs **up to 120cm (4 ft.)**. Contact us for more information or click on **Sale Inquiry**.
