TATAMI is a special pad designed for training or matches in karate, judo, thai boxing and other combat sports. Only enter the Tatami floor with bare feet or special footwear designed for it (karate shoes, exercises, etc.). Never place heavy or sharp objects or furniture on it. You would reduce his life.

Depending on the usage of the tatami, rewrap it every 1-2 months in order to avoid excessive wear on some pieces. Also regularly wash it with a damp cloth and non-aggressive disinfectant, ideally once a day, again depending on the frequency of use.
